Patricia Liguori, a multi-disciplinary information systems engineer, has been developing real-time air traffic management systems and aviation related information systems since 1994.

**Java 8 Pocket Guide: Amazon.co.uk: Robert Liguori ...**  
This slim pocket guide from O'Reilly does a deccent, quick overview of Java, covering up through Java 6. By no means a complete reference or tutorial, this is a quick lookup guide meant more as a reminder than as as a learning book. A decent quick reference, but nothing in depth, which is exactly what it claims to be.

**Java Pocket Guide by Robert Liguori - Goodreads**  
Written by Robert and Patricia Liguori, senior software and lead information engineers for Java-based air traffic management and simulation environments, Java Pocket Guide contains everything you really need to know about Java, particularly everything you need to remember.
