The Rules For Breaking Disappearing

A quick read, and much more fast-paced and immediately dangerous than it's prequel, The Rules for Breaking was a decent (if not wholly necessary) companion to The Rules for Disappearing. Elston continues in the vein of her first book, using a character-driven story to push an action-driven plot.

The Rules for Breaking (The Rules for Disappearing, #2)

The Rules for Disappearing follows Meg as she tries to figure out what happened to land her family in the witness protection program. She has been in 6 placements since she got stuck in the program and her family is falling apart.

The Rules for Disappearing by Ashley Elston

When Thomas and a mysterious masked man capture not only Anna but also her fragile younger sister and her boyfriend, Anna decides it's time to break all the rules-even if it means teaming up with the lesser of two evils. Anna will do whatever it takes to protect the people she loves and win her life back once and for all.
